- 14th June—Year 6 Adventure Day 1—Willen Lake.
- W/C 14th June—Literacy focus week themed around dinosaurs.
- W/C 21st June—Year 4 Multiplication Check and Key Stage 1 Assessment week.
- W/C 28th June—Years 3-5 Assessment week.
- 28th June—Teaching Talons Experience Day—EYFS+KS1.
- 29th June—Inspirational Person Experience Day—KS2.

Dazzling DT Work

This week three children, in Year 3, shared their incredible DT work, where they had used wire to create different designs. The wire had been carefully shaped and twisted using a range of tools into very intricate designs. Poppy had created a giraffe, Lacey created a butterfly and Skye created a pair of hands coming together. All three girls had worked incredibly hard on their designs. Well done!

Today is Mrs Bramley's last day before going on Maternity Leave. We wish her all the best and can not wait to meet her little bundle of joy once they arrive into the world. We hope Mrs Bramley is going to make the most of the next few days by resting, putting her feet up and sleeping as all those things will be a luxury once her little one arrives. Although it will all be worth it! I am sure you will join us in wishing her all the best!

Break the Rules Day

Break the Rules day was an incredibly popular hit with the children. The amount of fizzy drinks in school today was unbelievable! Children took great pleasure in eating their pudding first at lunchtime and were giddy with excitement to call the staff by their first name. We also had a large number of children with brightly coloured hair—we wish you luck in washing that out over half term! It has been a really exciting day to end the half term.

Winners!

Massive congratulations to Years 3+4 who made it to the County cross country finals. You put in a huge amount of effort with your daily mile running and it paid off! **You Won!!**

You are officially the top team in the County! Congratulations!

Ark Farm—Experience Day

What a lovely day yesterday! Not only were we blessed with glorious sunshine but the children had an amazing time with the animals from Ark Farm. The donkey and goat with kids were firm favourites garnering lots of attention and admiration from adults and children alike. However, the sheep, chickens, ducks, dogs and pig were all enjoyed by delighted children who marvelled at the different textures. A short introduction to all the animals, explaining what they were, their names and how to approach them was followed by petting time. The pig's wiry hair was a surprise to some and everyone loved the feel of the sleek soft feathers on the ducks. The chickens were intent on making a grand escape but once contained, their beautiful black and brown plumage with red crown was studied by many eager eyes. Did you know that donkey's ears are rock solid? Well this is something the eager year 4s were quick to point out. While our year 6's got to observe acrobatic goats standing on the feeding net. The entranced children continued to buzz about the great experience for the rest of the day.
