Section 3 – Safeguarding and Behaviour

BEHAVIOUR MANAGEMENT

We believe that children and adults flourish best in an ordered environment in which everyone knows what is expected of them, and children are free to develop and play without fear of being hurt or hindered by anyone else. We aim to work towards a situation in which children can develop self-discipline and self-esteem in an environment of mutual respect and encouragement. In order to achieve this, we will follow the school's behaviour policy:

Rewards

Positive behaviour will be rewarded with:

- Praise
- Moving up behaviour steps of progression
- Awarding BOSC points
- Certificates
- Stickers

VIP – all children at BOSC have the opportunity to work towards becoming a BOSC VIP. When a child demonstrates one or all of our five Christian Values, they will be awarded with BOSC points. When a child has achieved 100 BOSC points, they will become a BOSC VIP for the rest of the academic year. Being a BOSC VIP provides the child with privileges such as:

*not having to queue for their snack

NB This can also be taken away for unacceptable behaviour

Safeguarding

Wraparound Club – New Drop-off and Collection Arrangements

To further strengthen our safeguarding procedures, we have updated the drop-off and collection arrangements for our BOSC Club.

From 2nd September 2026, all children attending the club should be dropped off for breakfast club and collected from after school club at the Bear Door (located outside Year 2). Parents and carers should continue to ring the doorbell at the main gate, wait for acknowledgement by a member of staff and then make their way to the Bear Door. Children will be welcomed into the club by staff, and at the end of the session, staff will bring children to the door for collection. Again, please ring the bell on the main gate to alert a member of staff before heading to the Bear Door. This is a change to our previous arrangements, where parents and carers were able to access the school site and enter the BOSC room. Restricting access to the designated entrance helps us maintain a secure school environment, manage access to the building, and ensure the safety of all children and staff. We appreciate your support and cooperation as we continue to review and improve our safeguarding practices.

Behaviour Expectations and Consequences

We are committed to providing a safe, supportive, and enjoyable environment for all children and staff. While we understand that children may occasionally display challenging behaviour, any behaviour that is deemed unsafe, harmful, or unacceptable will be taken seriously.

If a child displays behaviour that poses a risk to themselves, other children, or staff, parents/carers will be contacted and required to collect their child immediately. Please note that no refund will be issued for that session. This will constitute a first warning.

If a second incident of similar behaviour occurs within the same academic year, this will result in a final warning being issued.

Should a third incident occur within the same academic year, the child will be suspended from attending the wraparound provision for a fixed period of time, as determined by the Senior Leadership Team (SLT).

We will always aim to work in partnership with parents/carers to support positive behaviour; however, the safety and wellbeing of all children and staff remains our priority.

PARENTAL INVOLVEMENT

Parents will be a key part of the clubs and would be made welcome at any time within the clubs operating hours. The facility is provided for their children and within all practical bounds, their requirements will be met. Parents will be given the opportunity to comment through a variety of means including questionnaires, meetings and daily contact with staff.

SNACK

Breakfast

This consists of cereal, pancakes, bagels, muffins, fruit, yoghurts and toast.

After school

This consists of hot and cold food served with a salad and crisps/rice cakes followed by fresh fruit, yogurt, cake, fruit strings, biscuits or an ice lolly.

Please note this is not a balanced evening meal; it is only a snack.

SECTION 4 – FINANCIAL GUIDELINES

PRICING POLICY

The clubs will operate a separate pricing policy for each of the two clubs. The prices have been set to provide parents with value for money whilst allowing the clubs to become financially viable. Places will be charged at the appropriate rate for the type of club session and will be payable half a term in advance. The fees will be reviewed annually. The current charges for the clubs are as follows:

Registration fee – A one off fee of **£10** will be charged to each parent upon registering their child with Bierton Out of School Clubs.

COST PER CHILD PER SESSION

- a. Before school session - **£6.00** (7.45 – 8:45am)
- b. After school session - **£14.00** (3.15 – 5:45pm)

School Clubs/FOB'S EVENTS – Children who choose to attend a school club/event or a FOBS' event will still be charged the full session price at BOSC.

PAYMENT

Fees are paid for at the time of booking via Parentmail. The late collection of a child will incur an additional fee of £20.00 for the first half hour and £50 for any time after this. This will be sent as an additional invoice via Parentmail.

Failure to pay by the end of the previous half-term will lead to the child being refused attendance at the club and will also incur a £50 late charge.

Furthermore, any subsequent failure to clear a debt could lead to permanent refusal of attendance. The parents / carers will also be informed that the club will seek financial recovery through the courts for unpaid invoices.

The Leader will be responsible for ensuring all invoices are paid prior to a child attending BOSC.

If our school is advised or forced to close by the Local Authority or DfE, we will not be able to refund parents on their existing booked sessions. However, if our school is closed due to any reason localised to our setting, e.g. no heating or water, then we will reimburse parents.

EQUIPMENT DAMAGE

Parents will be liable for any deliberate damage caused by their children to any of the property belonging to the clubs.
