A ray of sunshine from our Nursery Class to start our Hello Yellow Day. During the day the children have taken part in some activities to learn about the importance of mental health, happiness and how to look after themselves.

**On our initial count we have raised £264 for Young Minds.**

Thank you to everyone who donated. We know Young Minds will be very appreciative of the money.

Please can we remind all parents to model social distancing during drop off and pick up times. You have been amazing at dropping off at the gate in the morning, but we have now started to see an increase in parents hanging around out the front which then doesn't allow those coming in to enter safely at a social distance. We would really appreciate your support with this.

Thank you
